Subject: The Glass Bead Blasting On My Handgun Frame

Hi Dan,

I just wanted to thank you for the FANTASTIC job you did on my Sig Sauer handgun frame today.

Never thought any place but a firearms dealer could do the kind of work you did. And the one that I went to wanted me to leave the frame with them for 3 weeks and charge me much more than you did for (probably) some half assed job compared to yours.

The work was FAST and the price was PRIMO!!

Best Regards,
